

# Fundamentals of Hospice Palliative Care Core Program

***All program materials will be accessed online on the Partnering for Palliative Education platform through D2L's Brightspace Learning Environment. Virtual Classroom session links will be provided on this platform. This course is open to learners from Halton/Peel.***

This program is for anyone working in the health system who supports people living with a life-limiting illness with an interest in developing their capacity related to hospice palliative care.

## Program Expectations:

To receive a Certificate of Completion, it is mandatory for learners to:

- Attend all 3 scheduled Case-Based Learning Virtual Classroom Sessions with the option you have chosen below. (Classroom sessions are **NOT** webinars and learners are expected to participate)
- Schedule your time accordingly and ensure there are no conflicts with each class session.
- Complete Self-Directed Readings from the Program Guide and e-Learning Modules found on the D2L Brightspace platform
- Participate in two Peer-to-Peer Exchanges
- Complete one Reflective Activity

**Technology requirements:** access to an internet-enabled computer, tablet or smart phone enabled with a microphone and camera is required to access the learning platform and participate in virtual classroom sessions. If this is a barrier, please contact us.

**Note: Once registered, you will receive a welcome email one week prior to course start date showing next steps in how you will access the D2L Brightspace Platform. If you have not received it, please contact the Admin Assistant immediately at 905-827-8111.**
